Name of the officer and rank.

Shri Baijnath Singh,
Circle Inspector of Police,
Hamirpur District,
Uttar Pradesh.

Statement of services for which the decoration has been awarded.

On 16th July, 1963, Shri Dashrath Singh, Deputy Superintendent of Police received reliable information that Pancham, a notorious dacoit and his gang, intended to commit dacoity in village Bilrakh. The Deputy Superintendent of Police immediately collected all the available police force and proceeded to the grove where the dacoits had assembled. Fire was opened by the dacoits and in the ensuing action Pancham was injured. The dacoits, however, managed to escape under the cover of darkness.

On the 25th July, 1963, on receipt of information of the presence of Pancham and one of his associates named Bhoora in a cattle-shed in village Ballaun, Circle Inspector Baijnath Singh, and Sub-Inspector Moti Lal Gupta immediately went there with one Head Constable and two Constables. After surrounding the cattle-shed, Shri Baijnath Singh, without regard for his personal safety broke open the door of the cattle-shed, occupied by Pancham though in doing so he exposed himself to the fire of Bhoora. He started firing at the dacoits, who returned the fire. After waiting for some time, Bhoora fired at the Police party but Inspector Baijnath Singh shot him dead. Pancham was also killed in the cross firing. A .303 rifle, 2 SBBL guns and a large quantity of ammunition and property was recovered from the dead dacoits.

During this encounter Circle Inspector Baijnath Singh displayed conspicuous gallantry, initiative and devotion to duty of a high order in utter disregard for his personal safety.

2. This award is made for gallantry under rule 4(i) of the rules governing the award of the Police Medal and consequently carries with it the special allowance admissible under rule 5, with effect from the 25th July, 1963.

No. 68-Pres./64.—The President is pleased to award the Police Medal for gallantry to the undermentioned officer of the Uttar Pradesh Police :—

Name of the officer and rank.

Shri Moti Lal Gupta,
Sub-Inspector of Police,
Hamirpur District,
Uttar Pradesh.

Statement of services for which the decoration has been awarded.

On 16th July, 1963, Shri Dashrath Singh, Deputy Superintendent of Police received reliable information that Pancham, a notorious dacoit and his gang, intended to commit dacoity in village Bilrakh. The Deputy Superintendent of Police immediately collected all the available police force and proceeded to the grove where the dacoits had assembled. The Deputy Superintendent of Police divided the entire force into three parties which then advanced from three sides towards the grove. The dacoits, however, sensing the presence of the police opened fire on the party led by Shri D. P. Agnihotri. Thereupon the Deputy Superintendent of Police ordered his party to open fire and directed the third party under Sub-Inspector Moti Lal Gupta to advance towards the dacoits under cover of fire. In the course of the advance, Shri Agnihotri was wounded in the head. Sub-Inspector Moti Lal Gupta went to his assistance, and at great risk to his own life, removed him to a safe place and again returned and engaged the dacoits. In the ensuing gun duel Pancham was injured. Seeing no way out, the dacoits then started retreating towards the east and managed to escape under the cover of darkness. The search for the injured dacoits was continued.

On 25th July, 1963, on receipt of information about the presence of Pancham along with one of his associates named Bhoora in a cattle-shed in village Ballaun, Circle Inspector Baijnath Singh and Shri Moti Lal Gupta immediately went there with one Head Constable and 2 Constables. After

surrounding the cattle-shed, Shri Baijnath Singh and Shri Moti Lal Gupta broke open the door of the cattle-shed, fired at the dacoits and shot them dead. One .303 rifle, 2 foreign make SBBL guns and a large quantity of ammunition and property was recovered from the dead dacoits.

During both the encounters with these dangerous dacoits, Shri Moti Lal Gupta exhibited courage, initiative and devotion to duty of a high order in utter disregard for his personal safety.

Name of the officer and rank.

Shri Shiv Prasad Chandola,
Deputy Superintendent of Police,

Statement of services for which the decoration has been awarded.

On receipt of reliable information on 4th February, 1963, about the presence of the notorious dacoit Dongra, with two of his associates and a kidnapped boy in village Papri Nagari, Shri Shiv Prasad Chandola collected the available police force and immediately left for the village. The police party located the dacoits at about 0400 hours at a well on the outskirts of village Karkoli. Shri Chandola divided the police party into three groups and took up position in the nearby fields. Dacoit Dongra became aware of the arrival of the police and opened indiscriminate fire on the police parties. The police returned the fire and an action ensued. The two associates of Dongra managed to escape but Dongra continued firing. At this juncture, Shri Chandola showing great determination crawled upto the well along with a Sub-Inspector and a Constable in the face of firing from Dongra. The Assistant Commandant immediately deputed Jemadar Lingadalli along with a platoon to intercept the hostiles. On reaching Tadubi at about 2100 hours Jemadar Lingadalli divided his party into four groups and directed three of them to cover all probable exits from the village. Jemadar Lingadalli along with Naik Chennaveerappa and 6 other ranks then entered the village from the western side and advanced towards the village common hall where the hostiles were reported to have gathered. As soon as the police party was about 75 yards from the hall, the hostiles started firing at them. APPENDIX I**Central Wage Board for Tea, Plantation Industry.**

Despite earnest efforts made by the Board, it has not been possible so far to reach unanimous conclusions and it is likely to take quite some time before the Board is able to reach its conclusions and submit its report. The Board is conscious of the fact that more than two years have elapsed in the case of tea plantations in the South since the last interim wage increase was granted and it is also realised that in the meanwhile there has been an increase in the cost of living. The Board has, therefore, after sufficient thought and careful consideration of all the relevant matters, decided to recommend a further interim wage increase for workmen employed in tea plantations in South India. Accordingly, the Board makes the following recommendations.

2. A further interim wage increase should be given in the daily rates of wages of the labour in the tea plantations in the various

tea growing areas in South India at the rates mentioned below :—

- (i) In the States of Madras and Kerala and in purely tea estates in the State of Mysore :

Grade I (Adult men)	14 paise
Grade II (Adult women)	11 paise
Grade III (Adolescents)	09 paise
Grade IV (Children)	07 paise

Maistries, by whatever name they may be called and non-staff, artisans such as carpenters, vehicle drivers, 18 paise engine drivers, midwives, ward boys, blacksmiths, mechanics and electricians, who are daily rated.

II. In regard to clerical employees (field, factory, medical, educational staff, etc.) employed in Tea Gardens of the States of Madras, Mysore, and Kerala, a further interim increase per staff member will be given at the rates mentioned below :—

Category of staff	Interim wage increase
(a) To those getting a total emolument of below Rs. 100/-	Rs. 10/-
(b) To those getting a total emolument of Rs. 100/- and above but below Rs. 200/-	Rs. 16/-
(c) To those getting a total emolument of Rs. 200/- and above.	Rs. 22/-

Explanation :

'Total emolument' for the purpose of the above interim wage increase should be considered to include basic pay, dearness allowance, servant allowance and the past interim wage increase.

III. The categories, which do not come either under labour or under clerical employees, will be treated for the purpose or interim relief in the same manner as they are treated for the purpose of annual bonus.

IV. In the case of mixed estates in Madras, Mysore and Kerala State, the interim increase payable to the workers and clerical employees will be in accordance with the existing conventions and practice in regard to wages and salaries.

V. The interim increase recommended herein shall take effect from 1st May 1964.

VI. The amount of interim relief shall be shown as a separate item till the final recommendations of the Wage Board are made and thereafter such final recommendations will prevail.

Tripura	Rs. 10/- p.m.

II. In case of other staff, they should be paid second interim increase at the same rates as recommended in 'B' above for the different areas. In Tripura, the second interim wage increase will be at the same rates as recommended for Cachar above.

In making the above recommendations, the Board has not accepted at this stage the employers' contention that there should be an upward revision of garden selling prices of foodstuffs at concessional rates coupled with a corresponding increase in wages; such revision will be considered by the Board, along with other factors, at the time of making its final recommendations.

The amount of the above interim wage increase, along with the first interim increase where given, shall be shown as a separate item till the final recommendations of the Board are made and thereafter such final recommendations will prevail.

The interim wage increase recommended above will be effective from 10th June, 1964.

APPENDIX

Central Wage Board for Iron Ore Mining Industry
Calcutta, 29th April, 1964

The Board had, on 22nd November, 1963, made (unanimous) recommendations about interim wage increase. These recommendations have been accepted by Government under Resolution No. WB-2(36)/63 dated 5th February, 1964.

It has been brought to the notice of the Board that these recommendations are vague and not clear in some respects and that there may be difficulties in making marginal adjustments. The Board has carefully considered the whole position and agrees that some of the recommendations require clarification and amplification. For this purpose, it has re-drafted its recommendations about interim increase as under :

1. All workmen (time rated as also piece rated) as defined in the Industrial Disputes Act, working in the Iron Ore Mining In-

dustry should be paid an interim increase in their wages as detailed in paragraph 2 below.

NOTE :—Workmen employed by or through contractors in all processes directly connected with the raising and despatch of iron ore will be entitled to the interim increase.

2. All workmen should be paid total emoluments as worked out below :—

Where the emoluments are upto Rs. 52/-p.m. (or Rs. 2/- per day). They should be paid emoluments of Rs. 65/- p.m. (or Rs. 2.50 per day.)

Where the emoluments are more than Rs. 52/-p.m. (Rs. 2/- per day) but not more than Rs. 65/- (Rs. 2.50 per day). They should be paid emoluments of Rs. 72.80 p.m. (or Rs. 2.80 per day)

Where the emoluments are more than Rs. 65/-p.m. (Rs. 2.50 per day) but less than Rs. 100/-p.m. (less than Rs. 3.85 per day). They should be paid an interim increase of Rs. 7.80 p.m. (Rs. 0.30 per day).

Where the emoluments are Rs. 100/- p.m. and more, but less than Rs. 150/-p.m. (Rs. 3.85 or more but less than Rs. 5.77 per day). They should be paid an interim increase of Rs. 10.40 p.m. (or Rs. 0.40 per day).

Where the emoluments are Rs. 150/- and more p.m. or (Rs. 5.77 and more per day). They should be paid an interim increase of Rs. 13/- p.m. or (Rs. 0.50 per day).

NOTE :

(i) Emoluments include basic wages, dearness allowance, cash food subsidy and/or value of food concessions in cash or in kind but not bonus.

(ii) Employers giving food grains at concession rates to workmen shall work out the value of food concessions as on 1-12-63. The value of food concessions so determined should be taken into account for determining emoluments as recommended above and the interim increase determined on this basis shall not be changed as long as these recommendations are in force.

3. The interim wage increase shall not count for dearness allowance or bonus, if any, but shall be taken into account for other purposes like provident fund, over-time, leave with pay, paid holidays, maternity leave, retirement benefits, etc.

4. In those cases, where workmen are already getting an interim wage increase as a result of recommendations of the Iron & Steel Industry Wage Board, no further interim increase will be given.

5. The amount of interim relief shall be shown as a separate item, till the final recommendations of the Wage Board are made and thereafter such final recommendations will prevail.

6. The interim wage increase should be paid with effect from 1-1-1964. Workmen should be paid their emoluments at the new rates recommended above not later than from the emoluments earned from 1-6-1964; and arrears of interim increase earned from 1-1-1964 to 31-5-64 shall be paid latest by 15th August 1964.

7. The employers' representatives on the Board stated that the above increase will have the effect of increasing the cost of production of iron and steel and will also affect them in respect of exports. The Board has not been able to examine these points carefully at this stage though it does feel that there is a *prima facie* case on these points. The Board would recommend to Government to examine these questions and take appropriate action.
